GALACTIC STORIES:

OUR 2024 INTERN-STELLARS CHART NEW HORIZONS!

DANDEA IOANA
SOFTWARE ENGINEER IN TEST
INTERNSHIP 2024

I had an experience that significantly contributed to my personal and professional growth, made possible by the exceptional guidance of my mentors and the wonderful collaboration with my teammates. Also, I became more confident in my communication abilities and developed a positive approach to receiving and offering feedback.

RAUL TIRON
SOFTWARE ENGINEER
INTERNSHIP 2024

This internship far exceeded my expectations; it enhanced my curiosity, passion for coding, and increased my skill set. Our mentors were always incredibly helpful and always available to guide; they were invested from start to finish with heart and genuine dedication.

TONY TAMAS
SOFTWARE ENGINEER
INTERNSHIP 2024

I was mostly grateful for the opportunity to continue my professional journey with the company. As a final-year student juggling academic commitments alongside my professional responsibilities, I greatly appreciated the flexibility shown by my teammates to manage a demanding schedule.
